Dear XXXX

Prom and Graduation Night are the two most deadly nights in a high school teenagers' life?

To protect our students and the community, the All Night Graduation Celebration (ANGC), a committee of the Parent Teacher Student Association (PTSA), created an event on graduation night to give students a chance to celebrate their accomplishments without the usual drinking and driving from party to party. For the past 5 years, this program has provided peace of mind for our parents and neighborhoods. The 2012 class will be bused to the Hard Rock Café in Washington, DC.

Due to growing class sizes at Freedom High School, the cost of this important event for graduating seniors has grown significantly. In order to continue ANGC, we need additional help and support from community leaders and business owners. We are asking for your partnership by sponsoring this program. In exchange, all donations received by March 15, 2012 can take advantage of the opportunities listed in the enclosed sponsor matrix.

Please help us eliminate the incidence of injuries and fatalities associated with post-graduation driving under the influence of drugs and/or alcohol. **All contributions are tax-deductible (tax ID #14-1985211) and greatly appreciated.** We are available to answer any questions you may have.

Sincerely,

Cheryl Bacak & Katie Bowen
